Next *Journal* Deadline: Wednesday, January 28. The Seattle Chapter of the American Society of Women Accountants, to serve its members' interests, publishes the *Journal* monthly. If you have news, seminars, community meetings, committee meetings or an article you would like published, attach the file (preferably in Word™, single spaced with no tables, boxes or irregular formatting) and send via email to **Marilyn Wilt** at journal@aswaseattle.org.

ASWA LinkedIn Group Please visit our [LinkedIn page](#) and join our group to network with other ASWA members. This is a great way to get connected – and stay connected – with women in New York or California or Texas. Nearly 300 members with 13,600 connections have already joined. Are you one of them? New features have been added to enhance services for users including “news”, “discussion” and “jobs.”

Internship Program We are putting together a list of Schools in the area with accounting Internship programs and the appropriate contact information. The intent is to create a resource for our members who might want to hire seasonal help. Ultimately, we would like to post this on our website as a practice aid to the small business owner. We are working closely with DeVry. We have members who represent other institutions, however, and would like to post the contact information for those programs as well.

SAVE THE DATE

Go for the Gold

Northwest Regional Conference ... May 14 – 16, 2009

Lakeway Inn and Convention Center, Bellingham

We are looking for a good turnout from the Seattle chapter. Plan to attend. Don't let money keep you from attending. The Seattle chapter has some scholarship money available. This is a **great** opportunity to **network, have fun and get CPE**.

More details will be posted in future newsletters.

Presidents Message – January 2009

Well the New Year is upon us and the new US President gets installed shortly. Hopefully we will see the economy rebound from the poor performance in 2008. On January 10, our year started off with a new member tea. Thanks Jo Smitchger for all your work on this, I was unable to attend as I work on Saturdays, but it sounds like it was a fun time.

Our student night is our February 25 dinner meeting, so if you have contact with any students or prospective new members please invite them to our dinner. Students will have special pricing, so please help support our chapter by subsidizing a student.

The North West Regional conference is coming up in Bellingham in May. Look for their save the date post cards and conference registration materials that should be arriving soon. We have been talking about carpooling so keep that in mind, and let's show them a good turn out.

The ASWA Education Foundation through National has two year and undergraduate scholarships as well as Becker scholarships available. Be sure that anyone you know who needs these scholarships visits the National web site.

Report from the Endowment Fund Trustees

The ASWA Seattle Chapter No. 9 Scholarship Endowment Fund was established to encourage, receive and administer gifts in perpetuity for the purpose of granting scholarships for college and post-graduate studies in the field of accounting.

During fiscal year ended June 30, 2008, the fund received \$10,545.00 in permanently restricted contributions. The fair market value of the principal balance was \$138,446.18.

The Scholarship Endowment Fund earned \$5,668.39 during the year. This amount has been transferred to the Chapter's scholarship fund.

The trustees have continued to use the same investment management firm for investment advice. Karen O'Brien and Joe Hebert of TrueNorth Financial Services LLC have agreed to provide the trustees with investment management advice on a pro-bono basis. We very much appreciate their professional assistance.

Contributions, made payable to ASWA Scholarship Endowment Fund, may be sent to the chapter treasurer or to Susanne Lindsley, Trustee, 1218 Third Avenue, Suite 508, Seattle, WA 98101.

Respectfully submitted,

Susanne Lindsley, Trustee
Christina Anderson, Trustee
Linda Landerdahl, Trustee

**National Convention
 October 19 –21, 2009
 The Palms Resort Las Vegas**

Planning is already under way. Don't miss the opportunity to be a part of the excitement! If you are looking to contribute your time and talents, your help is needed. Volunteers are needed for the Program, Hospitality and Workforce Committees. Contact Susan Tripepi at stripepi@neo.rr.com if you are interested in helping or if you want additional details. Your involvement adds to the value of the convention for you. Preliminary program content should be available in May. Other activities include leadership meetings and the Chapter Exchange.

If you are unable to attend perhaps you might have something to contribute to the auction, which supports The Foundation. Last year everyone was jealous of the chocolate that I got!

Some scholarship money will be available. So if you are thinking of going but need some help, please talk to Sue Tebrink.

Interesting Tidbit Elderly women are less likely than elderly men to have significant income from pensions other than Social Security. In 2004, only 24 percent of unmarried women aged 65 or older were receiving their own private pensions (either as a retired worker or survivor), compared to 30 percent of unmarried men. www.socialsecurity.gov/pressoffice/factsheets/women.
